**MAINE WATER UTILITIES ASSOCIATION
PEOPLE, PLACES OR THINGS
PHOTO CONTEST**

This contest is open to anyone who wants to submit a **WATER SYSTEM PHOTO**. The photo could be old or new but should be a water system photograph that captures people, places or things related to providing public water service. This contest is meant to be fun and to recognize some of those interesting, funny, amazing and odd people, places or things that public water or wastewater systems deal with every day.

The contest will be judged by attendees at the February Trade show in Portland.

CONTEST RULES:

1. The contest is open to anyone wishing to submit a photo; no more than two (2) photographs per person will be accepted.
2. Photos should be no larger than 8 x 10".
3. You may submit your photo(s) in advance by mailing to Madeleine Storer, Aqua Maine P O Box 310 West Rockport ME 04865-0310, or by e-mail to mastorer@aquaamerica.com no later than January 31st – OR – simply bring it with you to the Portland Trade Show prior to or during the show preview. The Public Awareness Committee booth is adjacent to the MWUA Registration Booth at the show.
4. You do not need to be present to win.
5. Photos will be returned ***if requested***.

MAINE WATER UTILITIES ASSOCIATION

RIGS AND GIGS CONTEST

This contest is open to anyone who works in the Water or Wastewater Industry (no vendors please). Criteria for this contest consist of Safety, Efficiency and Originality. A successful entry will be a simple mechanical device or procedure that is designed to provide a safer, simplified, efficient or more original means of performing a routine task or function in the maintenance, operation or construction of a water or wastewater utility system.

Contest Rules:

1. Each entry shall include the following:
2. A photograph (no larger than 8 x10")
 - A brief description of the device or procedure including how to build the device or perform the procedure.
 - A list of materials and estimated cost.
 - A brief summary of how you feel this benefits your productivity and operation.
3. You may mail in your entry no later than January 31st to Madeleine Storer Aqua ME P O Box 310 West Rockport ME 04865-0310, e-mail it to mastorer@aquaamerica.com - or simply bring it with you to the trade show. Entries must be submitted at the trade show prior to or during the show preview. (The preferred format is a two page presentation containing a photo and all other required information as noted above.)
4. You do not have to be present to win. Your entry will be returned if requested.
